

## Alaska Geological Society Members and Friends – Welcome!

The Alaska Geological Society (AGS) is alive and well and working on this next project. AGS has always been a strong supporter of the University of Alaska geoscience programs in Fairbanks and Anchorage. We do this through strong scholarship programs and our continued professional and student attended technical conferences. We ask you to help us continue this process. The included link will outline our history and direction.

### Sponsorship

Our programs are managed by volunteers and your donations are 100% effective. We ask that you consider a donation to the 2020 AGS-UAF-UAA Technical Conference.

To help, we ask you to become a Gold (\$500), Silver (\$250), or Bronze (\$100) contributor. These funds will directly go to financing the conference, i.e. posters, facilities, and field trips. You can also choose to directly sponsor any of the events listed below.

Friday Night Dinner Support	- \$400
Lunch	- \$400
Morning Coffee	- \$250

Afternoon refreshments	- \$200
Student Poster Award 1	- \$100
Student Poster Award 2	- \$100

All sponsors will receive recognition in publications and posters.

To donate to the AGS 2020 Technical Conference email [Conference\\_chair2020@alaskageology.org](mailto:Conference_chair2020@alaskageology.org) and we will follow up with a payment method. Online process will be available on our website soon.

AGS is a 501(C)3 charitable organization and any donations are tax deductible. Our tax ID is 92-6009301.

In advance, we want to thank you for supporting the Alaska Geological Society and University of Alaska campuses
